

Introducing the SDGs

The Sustainable Development Goals

The **SDGs** are

- > A set of 17 goals for the world's future, through 2030
- Backed up by a set of 169 detailed Targets
- Negotiated over a two-year period at the United
 Nations
- Agreed to by nearly all the world's nations, on 25 Se

What is new and different about the 17 SDGs?

First, and most important, these Goals apply to every nation ... and every sector. Cities, businesses, schools, organizations, all are challenged to act. This is called

Universality

Second, it is recognized that the Goals are all inter-connected, in a system. We cannot aim to achieve just one Goal. We must achieve them all. This is called

Integration

And finally, it is widely recognized that achieving these Goals involves making very big, fundamental changes in how we live on Earth. This is called

Transformation

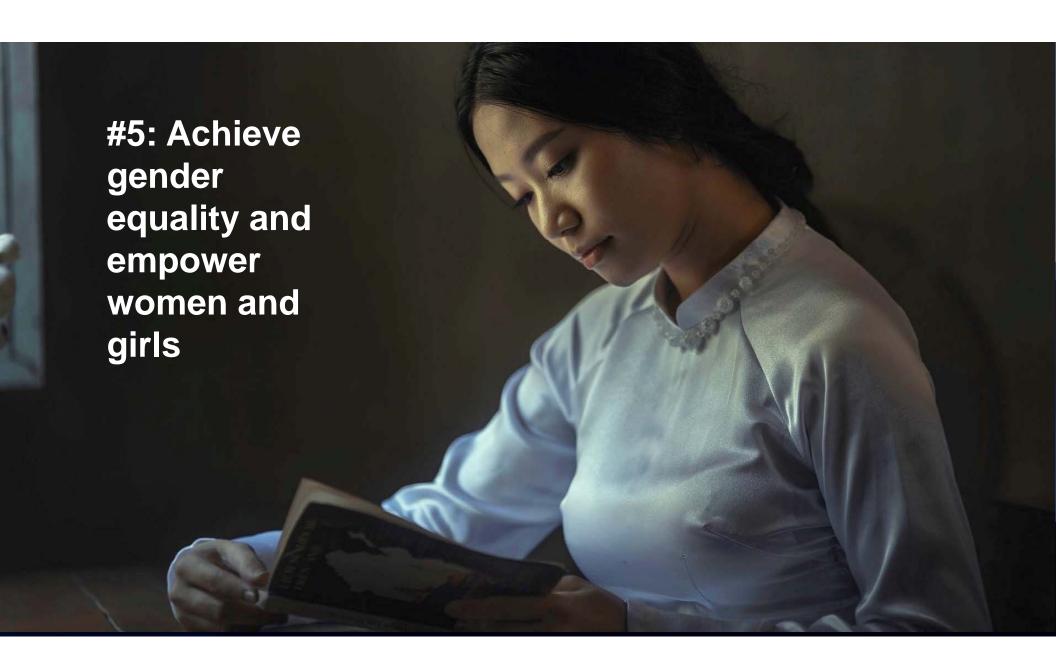

Let's take a tour ...
